

MATERIAL SAFETY DATA SHEET

Section 1. Product and company identification

Product name: Tracing paper
Manufacturer: Nanjing Oracle Digital Technology Co.,Ltd
Address: No.313,Jiangdong Middle Road,Jianye District,Nanjing,China
Tel: 86-025-83313334

Section 2. Composition/Information on Ingredients

Chemical Ingredients	Percent (%)	CAS NO.
Pulp	90-93	9004-34-6
Water	5-7	7732-18-5
Corn Starch	1-2	55353-21-4

Section 3. Physical and chemical properties

Appearance: Solid	Color: True color
Odor characteristic: Odorless	Specific gravity: N.A
PH: N.A	Melting Point: N.A
Evaporation Rate: Not know	Water reactive: N.A
Solubility in water: Non-soluble	

Section 4. Fire and Explosion Hazard Data

Flash point: not applicable
Low explosive limit: none
High explosive limit: none
Extinguishing media: carbon dioxide gas, dry chemical foam, sand/earth, water

Section 5. Reactivity Hazard Data

Stability (√)Stable ()Unstable	Conditions to Avoid: direct sunlight and heat, high moisture
Incompatibility: (Material to Avoid): No known	
Hazardous Polymerization ()May Occur (√)May Not Occur	Conditions to avoid: direct sunlight and heat

Section 6. Precautions for safe handling and use/leak procedure

Step to be taken if material is spilled or released: not applicable
Waste disposal methods: All waste material should be packaged, labeled and transported accordance with all federal, state, and local regulations.
Precautions to be taken in handling and storage: store in cool and dry place, keep away acids, heat and out of direct sunlight.

Remarks: This sheet is only used and reproduced for prevention and security purposes. Users are advised of possible additional hazard when the product is used in application for which it was not intended.
